Concerning Hunter-Grown Gladiolus

All bulbs offered in this list are healthy, true-to-name, and up to size. All bulbs were grown on clean soil, which was carefully prepared and cultivated throughout the growing season, and all stock was treated before planting, and properly cured after harvest, thus insuring high class, healthy stock.

Hunter Gladiolus won many high awards at the leading Gladiolus Shows during 1926. These included:

The President's Silver Cup for the largest and best display of Gladiolus at the Michigan Gladiolus Society Show, East Lansing, Michigan.

The Gold Achievement Medal for the Exhibitor winning the largest number of points at the Mid-West Gladiolus Show, Iowa State Fair, Des Moines, Iowa.

The stock offered in this list will do as well for you next season.
